

# Jacoti at AuDacity, the Convention of the Academy of Doctors of Audiology of the USA

---

NEWS · November 10th, 2016

**The Jacoti team is at AuDacity, the Convention of the Academy of Doctors of Audiology of the USA, taking place from Nov 10th to Nov 12th in San Diego, CA.**

Jacoti research team will be presenting Jacoti's research in audiological tools for consumer devices. Jacoti's CEO, Jacques Kinsbergen, will be bringing his innovator's perspective in the Innovation Panel session about the future of Audiology. Last but not least, Jacoti is supporting AuDacity and its attendees by installing an Assistive Listening system powered by Jacoti Lola.

## **Jacoti Hearing Suite revamp**

Jacoti Hearing Suites has been upgraded with a new look'n'feel which is more homogeneous across the different applications. In addition to that, Jacoti Hearing Center now features a quick hearing screening test as well as support for the iPhone SE. All apps include general improvements and bug fixes.

## **Jacoti Hearing Center Pro 1.0**

We are proud to announce that Jacoti will be unveiling at AuDacity'16, the Preview Edition of the Jacoti Hearing Center Pro 1.0 Audiometer application. It is an audiometer application for iPad that performs clinically valid hearing assessments in a matter of minutes without an audiological booth.
