

## Jacoti at ICA 2022

---

EVENTS · October 24th, 2022

### 24th International Congress on Acoustics

Jacoti's Chief Scientific Officer, Amaury Hazan, gave a virtual presentation that extended [Home-based audiometry with a smartphone app. Reliable results?](#) Study with a comparison of users' thresholds with the otologically 'normal' hearing population, based on users' demographics.

**Virtual presentations (VODs) and Q&A are available in the virtual platform on demand at [www.ica2022korea.org](http://www.ica2022korea.org)**

The purpose of the International Commission for Acoustics (ICA) is to promote international development and collaboration in all fields of acoustics including research, development, education, and standardisation

The ICA is a Scientific Associate of the [International Council for Science \(ICS\)](#), an Affiliated Commission of the [International Union of Pure and Applied Physics \(IUPAP\)](#), and an Affiliated Organization of the [International Union of Theoretical and Applied Mechanics \(IUTAM\)](#).
